

NIBAV Home Lifts Showcases Series III Lift at National Home Show, Toronto

Canada's National Home Show will feature the Series III Lift from NIBAV Home Lifts.

Toronto, Ontario Mar 16, 2023 ([Issuewire.com](https://www.issuewire.com)) - NIBAV Home Lifts, a leading provider of home lift solutions, is currently participating in the National Home Show, one of Canada's premier home design and home improvement shows. The show is taking place at the Enercare Centre from March 10th to 19th, 2023. NIBAV Home Lifts is showcasing its latest product, the Series III Home Elevator, which is designed to provide homeowners with a safe, stylish, and efficient means of accessing multiple floors in their homes.

The National Home Show is an annual event that brings together thousands of homeowners, designers, and industry professionals from across Canada. The show features a wide range of exhibitors, seminars, and demonstrations, providing attendees with valuable insights and inspiration for their home design and renovation projects.

NIBAV [Home Elevators](#) is proud to be participating in this year's event and showcasing its Series III Elevator, a state-of-the-art home lift system that offers unparalleled safety, customization, and energy efficiency. The Series III Elevator is designed to fit seamlessly into any residential property, providing homeowners with a compact, quiet, and reliable means of accessing multiple floors in their homes.

"This is a wonderful opportunity for us to reach out to the masses and propagate the significance of this important innovation - home elevators. This show has been amassing huge crowds, especially architects, homeowners, and the like so this is quite exciting for us to be able to participate in this show

and showcase our Series III elevator”, says Mr. Vishal Babu, Director of NIBAV Home Lifts.

We can showcase how our home Elevator solutions can enhance mobility, accessibility, and overall quality of life for homeowners”

At the National Home Show, visitors to the NIBAV [Home Lifts](#) booth can see the Series III Elevator in action and speak with the company's experienced professionals about their home lift requirements. The NIBAV team is on hand to provide expert advice on lift installation, customization, and maintenance, as well as answer any questions visitors may have.

About Nibav:

NIBAV Lifts has established itself as a leader in the premier home Elevator industry, thanks to its unwavering commitment to quality and safety. With a strong global presence spanning 14 countries, NIBAV has earned a reputation for excellence that's unparalleled in the industry. The company's 31 fully-operational experience centers around the world are a testament to its dedication to delivering impeccable service to its customers.

NIBAV prides itself on providing customizable solutions that enhance the homeowner's quality of life. With a focus on safety and accessibility, the company's latest range of home lifts offers a range of features and benefits that cater to the unique needs and preferences of each customer.

As the only brand with a coveted TUV SUD certification for home lifts, NIBAV remains committed to upholding the highest standards of quality and reliability. The company's global footprint continues to expand, and it is poised to become a major player in the home lifts industry in many more countries around the world.
