

Nourish Consulting Expands Across Canada with New Lactation Coaches

The word "nourish" is written in a lowercase, rounded, sans-serif font. The letter 'o' is stylized with a small pink dot in the center. The text is white and set against a solid red rectangular background.

Vancouver, British Columbia Mar 8, 2023 ([Issuewire.com](https://www.issuewire.com)) - [Nourish Consulting](https://www.nourishconsulting.net) is proud to announce that they are expanding their [lactation coaching services](https://www.nourishconsulting.net) across Canada. Their team of certified lactation consultants is now expanding their reach to support families across Canada with their specialized breastfeeding expertise.

From one-on-one in-home visits to virtual consultations to consultations in hospital and birthing centers, Nourish's certified lactation consultants have been helping families navigate their breastfeeding journey with confidence. Now, with the expansion of its services across Canada, Nourish Consulting is excited to provide even more families with the lactation support they need.

Nourish Consulting offers a wide range of lactation services tailored to the needs of each family. These services include in-home or virtual lactation consultations, prenatal breastfeeding classes, pumping support, and more. Nourish's lactation consultants are certified professionals who are dedicated to providing evidence-based support and education to families to ensure they are well informed and confident in their lactation experience.
