

Online Webinar on Australian Partner Visa by Asia Pacific Group – Register for Free

Asia Pacific Group Invites You to Attend Free Webinar

Sydney, New South Wales Mar 8, 2023 ([Issuewire.com](https://www.Issuewire.com)) - Asia Pacific Group (APG) has been providing education and migration-related services since 2009. A decade-long history of delivering successful results has made the company one of Australia's most trusted education and migration agencies, with the head office in Melbourne and branches in Sydney, Adelaide, and Reservoir. The company has offices in five countries, i.e. Australia (Melbourne, Sydney, Adelaide, Reservoir, and

Wyndham), India, the Philippines, Pakistan & Cambodia, and planning to expand in more countries.

The company continues to conduct webinars from time to time, and this time the webinar will be on 'Australian Partner Visa', which is going to be held on 17 March 2023, Friday (4 PM AEDT). The webinar will be presented through **Zoom Live**, so anybody who is interested to know about the partner visa or planning to apply for a partner visa can attend.

As the webinar will be online and register for the webinar is free so, interested individuals can [Register Here for Free](#).

The webinar will be presented by Mr. Usman Obaid Syed, a MARA agent (MARN 2117380) and the director at the Sydney Office. He said, 'this webinar will help the attendees to understand whether or not their profile is ready to process and also help to understand the Australian Immigration Department work process'. In the webinar, there will be a query session where attendees can ask their questions related to partner visas.

The webinar will provide all the essential information about partner visas, such as how to apply, what is the role of a MARA agent in [partner visa application](#), details on de facto partner and spouse visa requirements, how to process onshore and offshore visa applications (subclasses 820 & 801 and subclasses 309 & 100), general details on Prospective Marriage Visa (subclass 300) and much more.

Register today for the webinar and be with your beloved in the least possible time!
