

R. Lee Chilton III, MD, FACEP, FAAEM, an Emergency Physician with Ally Medical Emergency Room - Central Austin

Get to know Emergency Physician Dr. R. Lee Chilton III, who serves patients in Texas.

New York City, New York Mar 1, 2023 ([Issuewire.com](https://www.issuewire.com)) - Dr. Chilton III has been a practicing emergency physician since 1993 and a part-time teaching physician for most of his career.

Currently, he is affiliated with Ally Medical Emergency Room - Central Austin, with easy access for Brentwood, Crestview, Allandale, UT Campus, Rosedale, and North Loop residents.

Each Ally Medical Emergency Room is equipped to treat both minor and major medical emergencies for children and adults of all ages in a safe, stress-free setting. The medical staff specializes in providing emergency care and trauma care, ranging from broken bones and other injuries to infections, allergy and asthma attacks, and severe stomach pain or chest pain that may indicate a serious condition. They provide on-site testing, including CT scans, x-rays, and ultrasound imaging, as well as lab tests for fast results and accurate diagnosis.

In regards to his educational background, Dr. Chilton III graduated Cum Laude with his Bachelor of Arts degree in English and Sociology from Rice University in 1986. He then went on to earn his medical degree from the Baylor College of Medicine in 1990, after which he performed his residency in emergency medicine at Christ Hospital And Medical Center from 1990 until 1993.

Board-certified in emergency medicine, he is a Diplomate of the American Board of Emergency Medicine (ABEM). The ABEM certifies emergency physicians who meet its educational, professional, and examination standards.

Having been a physician leader in the Austin medical community since 1995, Dr. Chilton III has been the Medical Director of multiple Emergency Departments throughout his career.

Holding fellowship status, he is a Fellow of the American College of Emergency Physicians (FACEP) and a Fellow of the American Academy of Emergency Medicine (FAAEM).

Emergency medicine, also known as accident and emergency medicine, is the medical specialty concerned with the care of illnesses or injuries requiring immediate medical attention. An emergency physician works in an emergency department to care for acutely ill or injured patients on an unscheduled basis.
