

Recording Artist Kam Krzy Debuts his New Single called “Tower Moment”

Fremont, California Mar 7, 2023 ([Issuewire.com](https://www.issuewire.com)) - Due to an extraordinary style and provocative lyrics, Kam Krzy embodied and embraced his fitting nickname, Kam Krzy better known by his acronym letters that stand for, Keep Rising Zenith Year. He is back! This brilliant businessman, entrepreneur, artist, and record label executive CEO has been preparing for years for this big bang with his music. He is a pioneer for alternative Hip Hop to make feel-good music that will inspire legends as well. Stardom is

now here for him as he creates a diversified genre of music for all cultures to enjoy.

A native of Oakland California, recording artist Kam Krzy began what has become and continues to be an awesome journey in 2017. He is on the rise with his new single "Tower Moment." His new style of alternative Hip Hop brings a new flare of truth. His lyrics are unapologetic, slamming the truth about dealing with the decisions we make in life. For every decision, there's a consequence that may lead to change. His lyrics of wisdom explain his expression of thought through his new song. In his songs of expression, he is teaching how we should accept and embrace change in our life. Change is a good thing, not a bad thing. Change can bring a spiritual awakening and sometimes it takes us back to the beginning of our life. To embrace change is sometimes a challenge; however, change is the most constant in our lives. How we deal with change becomes the road we choose in life. The song "Tower Moment" will hit home and make you face your truth...We have the power of choice. The road of life is determined by our choices. With choice, there may be pain, drama, love, and respect. Our choices can determine generational poverty or wealth. Which road of life will you choose? Do you go left or right or do you remain going straight? Artist Kam-Krzy has found his groundbreaking path to success and is on his way to becoming one of the next great artists. As you listen to the song "Tower Moment" you will find yourself re-evaluating your life. Change is only around the corner.

The Tower Moment is based on the meaning of the "Tower" in tarot cards. Therefore, he holds his own cards in his hand. He pulls a card from the deck of life and it was the tarot card that looks like a tower. Therefore, he holds the card in his own hand. Stardom is here for him and he stands on a much-diversified platform.

Kam-Krzy said, "realism is where you will always find your passion and your heart's desires". I was starting my journey when I made the song "Head Rock", which is on the cd called "Krzy Modern Life" featuring "E45". I was telling the people of the world it is time to wake up! It is time to have real love and no more fake moments in life. It is time to embrace your true God-given gifts and talent. It is time to grind harder than ever because the word is out about his unique style of rap. Kam-Krzy has been invited to a 2023 Hip Hop Award show. He hopes to take home an award.

Greatness has fallen upon Kam- Krzy because of his mentors who he looks up to like Ricardo Scales A mentor who has worked with Prince along with Bay Sound Records, Chad Montgomery Aka Chad Rico, and In Yo Face Films Haqq Shabazz and D'wayne Wiggins. Kam-Krzy is changing people's lives as a Brand Ambassador at the Golden State Residential Program. He works with people with disabilities and helps provide a second chance to those who have been incarcerated. He teaches them how to rebuild with lifestyle skill sets to learn how to operate in society.

Kam Krzy is sending a hard message on a worldwide level of hope. He is going to change the style of the Hip Hop world. His fans will shout out the words Kam-Keep Rise Zenith Year of success is on the move! To learn more about him please contact his publicist Yolanda McIntosh aka Yolanda Mac.
