

Saar Amrani, DMD, MD, an Oral and Maxillofacial Surgeon with Kings Highway Oral & Maxillofacial Surgery

Get to know Oral and Maxillofacial Surgeon Dr. Saar Amrani, who serves patients in Brooklyn, New York.

New York City, New York Mar 30, 2023 ([IssueWire.com](https://www.issuewire.com)) - Highly respected in the field of oral and maxillofacial surgery, Dr. Amrani is the Medical Director of Kings Highway Oral & Maxillofacial Surgery, located in the Midwood neighborhood of Brooklyn, New York. He works with a team of compassionate professionals who share his commitment to providing exceptional oral health care. Together, they ensure that every patient receives the personalized attention they deserve.

One of his primary goals is to educate his patients about their oral and maxillofacial procedures, empowering them to make informed decisions about their treatment. He is passionate about promoting dental health awareness, and his patients appreciate his dedication to their overall well-being.

Academically, Dr. Amrani attended Nova Southeastern University before obtaining his Doctor of Medicine in Dentistry degree at the prestigious Icahn School of Medicine at Mount Sinai. He also received his certificate in oral and maxillofacial surgery from the same institution. Dr. Amrani's training has equipped him with the knowledge and skills necessary to provide his patients with the best possible care.

Oral and maxillofacial surgery specializes in surgery of the face, mouth, and jaws. It is an internationally recognized surgical specialty. Oral and maxillofacial surgeons are dental specialists who treat conditions, defects, injuries, and esthetic aspects of the mouth, teeth, jaws, and face. Their training involves a four-year graduate degree in dentistry and the completion of a minimum four-year hospital surgical residency program.

Among his various accolades, Dr. Amrani has been the recipient of the Compassionate Doctor Recognition (2018, 2017, 2016), and Patients' Choice Award (2018, 2017).

Patients appreciate his ability to put them at ease during their procedures. He communicates with patients in English, Hebrew, and Russian, ensuring that everyone feels comfortable and understood. He tailors his treatment to meet each patient's unique needs, providing a personalized experience that inspires confidence and trust.
