Why is [Prof. DRM Media Pack](#) the perfect solution when customers want to remove DRM protection? Whether people plan to enjoy Spotify music offline or just treat themselves to cozy e-book reading time during afternoon tea, they can all find a good solution with Prof. DRM. With Leawo [Prof. DRM Media Pack](#), they can enjoy the benefits below:

- **No connection errors**

The DRM-protected doesn't work as well as expected. Many people reported integration errors, such as connection failure, the feature simply doesn't work, etc. For example, with Leawo Prof. DRM Media Pack, they can successfully download iTunes music as local files and share them with their friends easily and quickly. They don't have to worry about connectivity issues anymore! It means that you can

[play Apple Music on Bose SoundTouch](#) and even [add iTunes music to Snapchat story](#).

- **Keep DRM-protected file forever**

With Leawo Prof. DRM Media Pack, you can successfully remove the DRM (Digital Rights Management), the copyright protection upon iTunes music/video/audiobook, Amazon Audible audiobooks as well as Spotify music, and download and convert them to any format you like. If people want to cancel the premium of that paid service, Leawo can help them keep downloaded media forever as local files before the subscription is canceled.
