Get to know Pediatric Dentist Dr. Stacie Sueda, who serves patients in Honolulu, Hawaii.

New York City, New York Mar 23, 2023 ([Issuewire.com](https://www.issuewire.com)) - Dr. Sueda takes pride in providing excellent and caring pediatric dentistry in Honolulu, Hawaii at Honolulu Keiki Dental.

In a place as comfortable as home for a lifelong relationship of dental care, Honolulu Keiki Dental offers a completely digital office with state-of-the-art facilities and full services. They include preventative treatments, restorative treatments, orthodontic treatments / Invisalign, and emergency care.

“You and your child will feel comfortable in the fun environment designed to give them a positive experience. Our doctors’ conversational approach will educate you about each of your child’s dental conditions and procedures. We have developed a well-earned reputation for being mentors and confidants for you and your child” as stated on their website.

Born and raised in Hawaii, Dr. Sueda graduated from Hawaii Baptist Academy High School. She then went on to earn her Bachelor of Science degree from Siena College in New York.

Furthering her education, she graduated with her Doctor of Dental Surgery degree from the University of Missouri at Kansas City School of Dentistry, and both her Master of Science degree and Certificate of Pediatric Dentistry from the University of Michigan School of Dentistry.

Staying up to date in her field, Dr. Sueda is an active member of the American Academy of Pediatric Dentistry, the American Dental Association, the Hawaii Academy of Pediatric Dentistry, the Hawaii Dental Association, and the Honolulu County Dental Society.

Pediatric dentistry is the branch of dentistry dealing with children from birth through adolescence. Pediatric dentists specialize in oral care for infants, toddlers, children, and teenagers. They are trained to handle treatment of children under anesthesia and sedation, as well as treatment of medically compromised children and adolescents.

Named one of the Best Dentists in Hawaii in 2022 by Honolulu Magazine, Dr. Sueda has published her original research work in the Journal of the Hawaii Dental Association. She has also volunteered with the Aloha Medical Mission Group to foreign countries, providing free dental care for the underprivileged.

Outside of practicing dentistry, Dr. Sueda enjoys traveling, surfing, playing soccer, hiking, and various outdoor activities. She and her fiancée are proud parents of 2 rescue dogs.
