

Stupath: The Innovative Ed-Tech Platform by Rater Technologies Simplifying Career Decisions and Admissions for Students

Rater Technologies Launches Stupath, an Ed-Tech Platform to Simplify Career Decisions and Admission Processes for Students

Warangal, Telangana Mar 5, 2023 ([Issuewire.com](https://www.issuewire.com)) - Rater Technologies Private Limited Announces the Launch of Stupath, a Revolutionary Ed-Tech Platform

Warangal, Telangana- Rater Technologies Private Limited, a leading provider of innovative technology solutions, is proud to announce the launch of Stupath, a cutting-edge Ed-Tech platform aimed at simplifying the career decisions and admission processes of students.

Stupath, founded by Kasturi shivaprabhu, a serial entrepreneur with 8+ years of experience in various domains including Ed-Tech, Logistics, and E-Commerce, is set to revolutionize the education sector by providing students with a comprehensive and user-friendly platform to explore their career options and streamline the admission process.

Harshith Sai Thadishetty, who started gaining knowledge of the business at a young age, has proven that experience comes not only with age but also through dedication, hard work, and smart thinking. With a commitment to his goal, he has been actively mentoring budding entrepreneurs and guiding students in their career planning and growth.

"We are excited to launch Stupath and bring a new level of innovation to the education sector," said

Board of directors Suman Naredla, Kasturi shivaprabhu, Thadishetty Harshith Sai. "Our mission is to make the career and admission process simpler for students, and we are confident that Stupath will achieve that and more."

Stupath's comprehensive platform offers a range of features including career counseling, admission guidance, and personalized recommendations to help students make informed decisions about their future. With its user-friendly interface and powerful technology, Stupath is poised to become the go-to platform for students and educators alike.

Rater Technologies Private Limited and Board of directors Suman Naredla, Kasturi shivaprabhu, and Thadishetty Harshith Sai are committed to making a positive impact on the education sector and believe that Stupath will be a game-changer in the industry.

The MLA appreciated the founding team of Shiva Prabhu, Harshith Sai, and mentor Suman from SR University Warangal for initiating the startup culture and realizing their dreams at a young age. The founders thanked SRiX, an incubation center at SR University, for supporting them with funding for product development. They also expressed their gratitude towards MLA Vinay Bhaskar and BRS leader Vidya Sagar Thadishetty for launching the startup.

The event was attended by prominent people from companies like Sri Sai Ram Ashraf Saketh
