Lisboa e Vale do Tejo, Portugal Mar 20, 2023 ([IssueWire.com](https://www.issuewire.com)) - The Portuguese autograph collector Francisco Pinheiro, who is better known online as 'FP Autographs', has amassed a large following of more than 50,000 fans on Instagram, where he regularly posts his latest autograph acquisitions and helps newcomers to the hobby. As a passionate collector, Francisco has a vast

collection of autographs from various fields, including sports and entertainment.

Francisco's love for autographs began at a young age and, over time, he has built an impressive collection that includes autographs from some of the biggest names in sports and entertainment. From football legends like Franz Beckenbauer and Rui Costa, to tennis stars like Roger Federer, and even rising football stars like João Félix, Francisco's collection has something for everyone.

On his Instagram account (@fp_autographs), Francisco shares pictures and stories about his most recent autograph acquisitions. He also takes the time to offer advice and insight into the world of autograph collecting. Through his account, he encourages others to start collecting and provides tips for those who are new to the hobby, such as the most effective and cheapest ways to get autographs, and how to find celebrity mailing addresses, among many other essential tips.

Additionally, Francisco has been giving away or selling some of his duplicate autographs at a very affordable price for the autograph community. Sometimes, these giveaways can include autographs from popular celebrities, so you need to be careful not to miss out on the opportunity, as they end very quickly.

In addition to his Instagram presence, Francisco has also started to post on other social media platforms like Facebook and TikTok. He uses these platforms to connect with other collectors and share his passion for autographs. You can find all his social networks and more information at "linktr.ee/fpautographs".
