

TourWiz Unveils Game-Changing AI-Powered TourWizAI: Revolutionizing the Travel Industry!

Tourwiz(www.tourwisonline.com), an innovative Business Automation and B2B Marketplace platform for Travel companies has launched TourWizAI Assistant - an AI-powered tool that reduces workload by 70% for small and mid-size travel companies.

Ahmedabad, Gujarat Mar 28, 2023 (Issuewire.com) - With Addition of [TourWizAI](#), to the [TourWiz's B2B business automation and Marketplace platform](#), all mundane and time-consuming content management activities that used to require expert assistance can now be completed in a matter of minutes thus eliminating their dependence on specialized or multilingual personnel.

With a ChatGPT like chatbox [TourWizAI](#) Assistant helps small and mid-sized Travel Companies to rapidly generate customized itineraries, destination insights, provide customized recommendations for food, shopping, and places of interest, and even generate marketing materials and brochures in just minutes. All communications including emails and website content are now easy to generate and error-free with TourWizAI's grammar, presentation and structuring suggestions.

This empowers the Travel companies like Travel Agencies and Tour Operators to rival larger competitors in terms of content quality, information depth, and presentation excellence, resulting in exceptional customer satisfaction.

"TourWizAI Assistant is a groundbreaking tool and a game-changer. It significantly enhances travel companies' efficiency by 70%, minimizing resource reliance while delivering unmatched customer experiences. With [TourWizAI](#) and [TourWiz B2B Marketplace](#) (www.tourwisonline.com/preview) travel

agencies can now compete with larger players and OTA's in terms of content, pricing and communication” said Saurabh Mehta co-founder of CL Tech Solutions

TourWizAI Assistant has already attracted a lot of interest from players in the travel industry and is set to shake up the travel industry like never before.

[TourWizAI](#) is available to B2B travel companies for a free trial to enable them to discover the amazing things it can do. To get an experience of the future of travel technology try it out. www.tourwisonline.com/tourwizai
