

Aesthetic and Gravitating, Quentin Hiatus's Music Will Haunt You in The Most Beautiful Way

The seamless concoction and coordination of bass and drums made the exquisite tracks of Quentin Hiatus widely enjoyable. He delivers raw hearty soothing vibes.

Scottsdale, Apr 3, 2023 ([Issuewire.com](https://www.issuewire.com)) - Based on the dark, wild, and raw vibes that **Quentin Hiatus** is willing to share through his musical releases are utterly enjoyable. Being a brilliant drum and bass producer, he doesn't require any introduction to the fans of this genre. From experimenting with new sounds to making needed improvements his works are extremely consuming and fascinating for all music lovers. The grooving styles along with the intoxicating ambiance have made his tracks wildly brilliant. One of the daunting yet charming tracks 'We Love You Quentin' can make anyone fall for this young and versatile artist.

Another fascinating number from this artist is 'The Daylight', a magnetic musical ecstasy that will make everything seem more enticing. The prolific natures of his tracks are the best part of an instrumental piece that is exceptionally gravitating that shows the true potential of the artist. His 2023 release 'Save Ya Soul' has been made with love and care. If music can make amends then these tracks would be responsible for world peace. **Quentin Hiatus** has been widely profound with his chosen sounds and the entire alchemy of his releases is extremely gravitating.

The rawness of his tracks often showcases the fertile formations of dubstep and hip hop, and he combines some jungle vibes to his number to make the song more gravitating. The daunting grooving vibes of this artist have delivered tracks like 'We Love You Quentin', 'The Daylight', 'Save Ya Soul', 'Super Cluster', 'Carver Park', 'Mango Ice Cream', and 'Clever Girl'. Joining forces with his production house Free Love Digi he will continue to offer more tracks in the future as well. Follow him on Spotify, [Facebook](#), and [Instagram](#).
