

Brothers Cleaning Services Celebrates 50th Anniversary

Springfield, Oregon Apr 17, 2023 ([Issuewire.com](https://www.issuewire.com)) - Brothers Cleaning, a leading provider of commercial and residential cleaning services, is proudly celebrating its 50th Anniversary.

Bob Kramer and Tony Metcalf founded Brothers Cleaning Services in 1973. It started as a part-time business to provide the two partners with income while they continued their college educations, but through their efforts, their fledgling cleaning service business grew steadily to be the largest company of its kind in the Eugene/Springfield Oregon area. Operating under Brothers Carpet Cleaning, Inc & Brothers Cleaning Services, Inc the company provides residential and commercial carpet, rug & upholstery cleaning services, as well as a full suite of commercial cleaning services, including janitorial services, window washing, floor care, pressure washing and parking lot sweeping. Steve Dahill purchased the company from Metcalf in 2019, who retired after 46 years at the helm of the company.

"Tony Metcalf built a strong company with a fantastic reputation in the community over 46 years," says Dahill. "And the past four years have continued to be a hugely successful time for us. We've introduced new benefits for our employees and new technology to streamline business operations. Additionally, we've expanded our footprint and now have offices in Salem and Corvallis. From industrial sites to medical facilities, we've cleaned it all. We're proud to have become a part of these local communities and have had the pleasure of working with many great people over the years. We look forward to continuing to build on these strong relationships for many more years."

"For five decades, one constant remain", Dahill continues. "We've stayed true to our roots, always focused on providing quality cleaning services, outstanding customer service, and safety for our

customers and employees. And we could not have achieved our outstanding success without the dedication of the talented team here at Brothers. Their dedication comes through in everything that we clean."
