New York City, New York Apr 18, 2023 ([Issuewire.com](https://www.Issuewire.com)) - Cargo Facts is pleased to announce the inaugural Cargo Facts LATAM event taking place in Panama City on May 15-17 at the W Panama Hotel.

This new conference will examine the dynamic Latin American freighter market.

Attendees can look forward to the exceptional networking provided by Cargo Facts events along with sessions that include discussions focusing on the region's carriers as they grow and renew their fleets with both narrowbody and widebody freighters.

Cargo Facts LATAM will provide participants an opportunity to witness the growth of the air cargo sector in Latin America while directly engaging leaders in the aviation, cargo and business sectors throughout Central and South America.

Editor from Cargo Facts Jeffrey Lee will be a mediator.

Global executives in the financing, leasing and airline industries will find a platform that can transform ripe opportunities into mutually beneficial partnerships with new and existing businesses.

Featured panel discussions on the agenda will include:

- ❑ A deep dive into LATAM express market trends and opportunities;
- ❑ Latin American carriers and the future of narrowbodies;
- ❑ The future of the LATAM perishables market;
- ❑ Trends in LATAM e-commerce logistics; and
- ❑ State of the freighter market in Latin America.

New freighter operators flying 737-800Fs, A330Fs and A321Fs have emerged recently in the Central and South America region, new lessors have been moving 737 Classic freighters to support growing demand and more of the newer freighter conversion types are expected to enter service in the coming years.

Cargo Facts LATAM will offer stakeholders a forum to discuss market developments and more while providing a networking platform to collaborate on investment and business strategies that will strengthen air cargo trade in the Americas.

May 15-17th for Cargo Facts LATAM 2023, the event for Innovation and Beyond.

- ❑ Jaime Alvarez, Senior Director of Cargo, Copa Airlines
- ❑ Carlos Cock, Chief Executive Officer, Xtreme Aviation
- ❑ Edvinas Demenius, Vice President of Sales & Development, Board Member, SmartLynx Airlines
- ❑ Frank Diaz, Chief Executive Officer, Sky Cana
- ❑ Mario Fernandes da Costa, President & CFO, Modern Logistics

About Modern Logistics

Modern Logistics Modern Logistics, founded in 2012, is a pioneer in the development of a one-stop-shop model using air freighters to provide logistics services that are materially hastening supply chains across Brazil. In addition to its fleet of Boeing 737s, the company has more than 6,000 vehicles from approved partners for ground operations. Through its several distribution centers and cargo terminals, goods are efficiently directed to clients via the company's air and road network from its Viracopos operations base in Campinas -Brazil
