

Children's author Joy Harris-Bird launches new animated series "Kalifornia Dream"

Based on the popular book "Dream Big Dreams," the series aims to inspire children to dream big and learn new things.

Houston, Texas Apr 28, 2023 ([Issuewire.com](https://www.issuewire.com)) - Dream Big Dreams has already captured the hearts and imaginations of young readers, encouraging them to chase their dreams and believe that they can change the world. Now, the animated series Kalifornia Dream brings that same uplifting message to life in a whole new way.

Created specifically for kids, Kalifornia Dream is a fun and educational YouTube channel that takes

young viewers on exciting adventures and teaches them new things along the way. With Kali as their guide, children can explore the world and learn about everything from science to music, all while having a blast.

"We're thrilled to bring the world of Dream Big Dreams to life in a new and exciting way that will inspire kids to dream big and reach for the stars," says Harris-Bird. "The channel has fun and educational songs that kids from all different backgrounds can enjoy, and we can't wait to share them with young viewers everywhere."

Since its launch on YouTube, the animated series Kalifornia Dream has already taken the world by storm, receiving rave reviews from parents and kids alike. With more exciting adventures on the horizon, fans can't wait to see where Kali and her friends will go next.
