

Daniel Aharonoff Perspective: 7-Eleven's National Hiring Day: 50,000 Job Openings Speedway & Stripes

A Monumental Opportunity: ATM.TV Founder Daniel Aharonoff Celebrates 7-Eleven's National Hiring Day and the Chance for 50,000 Job Seekers to Join a Renowned, Customer-Centric Brand

Encino, California Apr 24, 2023 ([Issuewire.com](https://www.issuewire.com)) - Daniel Aharonoff, the founder of ATM.TV, the leading DOOH HD video advertising provider in over 8,500 U.S. 7-Eleven® stores, expressed his excitement over the upcoming National Hiring Day event. "On Tuesday, April 25th, 7-Eleven, Speedway, and Stripes, along with participating independent Franchise owners and operators, will host a recruitment extravaganza spanning more than 13,000 locations in the U.S. and Canada," he said.

Aharonoff emphasized the scale of this massive employment opportunity, aiming to fill an incredible 50,000 positions across the family of brands before the summer season. He praised 7-Eleven's commitment to providing excellent customer experiences and innovative products, making them a perfect partner for ATM.TV. Their National Hiring Day further solidifies 7-Eleven's position as the premier name in convenience.

Aharonoff highlighted the main features of this grand recruitment event, which include:

- 50,000 job openings across the 7-Eleven, Speedway, and Stripes family of brands

- Positions available in more than 13,000 locations throughout the U.S. and Canada
- Opportunities for motivated, customer-obsessed individuals
- Inclusion of independent Franchise owners and operators in the event

He emphasized that 7-Eleven's National Hiring Day offers a unique opportunity for job seekers to secure a position with a renowned, customer-centric brand. At the same time, businesses like ATM.TV will benefit from the influx of dedicated employees eager to contribute to their success.

Having witnessed the growth and innovation of 7-Eleven first-hand, Aharonoff encouraged job seekers and independent Franchise owners to participate in this monumental event. He also invited those interested in advertising opportunities to visit <http://atm.tv> and explore the possibilities with ATM.TV and 7-Eleven, making a lasting impact on the future of convenience retail together.
