

Daniel Gold, MD, an Otolaryngologist with ENT and Allergy Associates

Get to know Otolaryngologist Dr. Daniel Gold, who serves patients in White Plains, New York.

New York City, New York Apr 25, 2023 ([Issuewire.com](https://www.issuewire.com)) - A trusted otolaryngologist, Dr. Gold is affiliated with ENT and Allergy Associates in White Plains, New York. He sees both pediatric and adult patients and specializes in pediatric otolaryngology as well as in the medical and surgical care of patients with sinus disorders, ear disorders, head and neck cancer, thyroid gland masses, parotid gland tumors, voice disorders, snoring and sleep apnea, and nasal obstruction.

Originally formed in 1998 with the merger of three practices, ENT and Allergy Associates has grown to over 300 clinicians, practicing in over 55 office locations throughout New York and New Jersey. The group setting in which they practice promotes easy access to a broad range of comprehensive services under one roof and a very coordinated approach to patients' care.

After graduating with his medical degree from SUNY Downstate Medical Center, Dr. Gold went on to complete his surgical internship and residency in otolaryngology at Tufts University-New England Medical Center in Boston.

In pursuit of clinical excellence, the doctor is board-certified in otolaryngology by the American Board of Otolaryngology - Head and Neck Surgery, which is a non-profit corporation that has set the mission of ensuring professional standards with certificates and memberships and has offered training in the fields of head neck surgery to professionals since 1924.

Currently affiliated with White Plains Hospital, he also serves as an Assistant Clinical Instructor at Mount Sinai Hospital. His commitment to patient care, combined with his expertise and knowledge in the field of otolaryngology, makes him a highly sought-after physician in his field.

Otolaryngology is the oldest medical specialty in the United States. Pediatric otolaryngologists are primarily concerned with medical and surgical treatment of ear, nose, and throat diseases in children. They generally provide the following services: diagnosis and treatment of ear, nose, and throat disorders, as well as head and neck diseases.
