New Delhi, Delhi Apr 27, 2023 (Issuewire.com) - [Delta BPO Solutions](http://DeltaBPOSolutions.com), a leading provider of business process outsourcing (BPO) services, has announced the launch of a new and innovative FOCO (Franchise Owned, Company Operated) franchise business model designed to help entrepreneurs establish their own BPO businesses while receiving fixed monthly payouts. The company has introduced the FOCO franchise model, which offers a fixed monthly payout of INR 100,000 to the franchise owner.

The FOCO franchise model is an all-inclusive business opportunity that provides entrepreneurs with everything they need to launch and operate a successful BPO business. The franchise owner will not have to worry about expenses such as office rent, electricity bills, employee salaries, and internet bills, as the company will cover these costs. In return, the franchise owner will help company by providing monthly references and ensuring that all necessary facilities, including office space, staff infrastructure, computers, and internet connections, are available at their own cost.

“We are excited to launch this new FOCO franchise model, which we believe will be a game-changer for entrepreneurs who want to start their own BPO businesses,” said Suraj Chauhan, a spokesperson for Delta BPO Solutions. “Our goal is to make it easy for people to get started in this industry, which has tremendous growth potential, while also providing them with a steady source of income.”

The FOCO franchise model is a win-win situation for both the franchise owner and Delta BPO Solutions. The franchise owner receives a fixed monthly payout for 24 months, while the company manages all

operations and business activities within the office premises, with no interference from the franchise owner.

“We understand that starting a business can be a daunting task, and that is why we have designed the FOCO franchise model to provide entrepreneurs with a turnkey solution,” said the spokesperson. “We are confident that this model will help entrepreneurs achieve their goals while also contributing to the growth of the BPO industry.”

The FOCO franchise model is open to entrepreneurs in India who are interested in starting their own businesses. [Delta BPO Solutions](#) has a proven track record of delivering high-quality BPO services to clients in various industries, including healthcare, finance, and retail. The company’s expertise and experience will be invaluable to entrepreneurs who participate in the FOCO franchise model.

“We are excited to work with entrepreneurs who are passionate about starting their own businesses and helping them achieve their goals,” said the spokesperson. “We believe that our FOCO franchise model offers a unique opportunity for people to become part of the growing BPO industry.”
