Jersey City, New Jersey Apr 20, 2023 ([Issuewire.com](https://www.issuewire.com)) - Ecuadorian Rainforest, a leading wholesale supplier of natural and organic ingredients, is pleased to announce its successful participation in SupplySide East 2023, one of the largest trade shows in the nutraceutical industry. The event took place on April 18-19 at the Meadowlands Expo Center in Secaucus, NJ, where the company exhibited at Booth 416.

SupplySide East 2023 brought together thousands of industry professionals from around the world, including manufacturers, suppliers, and distributors, to showcase the latest trends, ingredients, and solutions in the nutraceutical industry. Ecuadorian Rainforest was proud to be among the exhibitors and to showcase its extensive product line of natural and organic ingredients, including botanicals, fruit and vegetable powders, and superfoods.

Ecuadorian Rainforest's booth was a popular destination for attendees looking for high-quality, sustainably sourced ingredients. The company's knowledgeable team was on hand to answer questions and provide guidance on how its products could be used to create innovative and effective formulations.

"We are thrilled with the positive response we received at SupplySide East 2023," said Steve Siegel, Ecuadorian Rainforest's Vice President. "It was a great opportunity to connect with industry professionals and showcase our commitment to providing the highest quality natural and organic ingredients. We look forward to continuing to work with our customers to develop innovative and effective products that meet their unique needs."

Ecuadorian Rainforest will next be exhibiting at **Vitafoods Europe** on **May 9-11 at Booth B126 PalExpo Geneva, Switzerland**. Vitafoods Europe is the leading event for the nutraceutical industry in Europe, bringing together industry professionals from around the world to share knowledge and showcase the latest products and trends. Ecuadorian Rainforest looks forward to showcasing its extensive product line and meeting with customers to discuss their unique needs and challenges.
