Shenzhen, Guangdong Apr 21, 2023 (Issuewire.com) - The gentle breeze carries the sweet scent of flowers, filling the air with joyful anticipation. As we gather with loved ones and indulge in festive treats, we are reminded of the gift of life and the abundance of blessings that surround us. Leawo also offered a discount on its formidable DRM Removal Toolkit during the [2023 Easter Giveaway & Specials](#) as a gift for everyone. This powerful software tool allows users to easily remove digital rights management (DRM) protection from various media files, so they can enjoy their favorite movies, TV shows, and music on any device. This sale is the perfect opportunity for movie and music enthusiasts to upgrade their media library and enjoy their favorite content on any device. All these promotions are available before May 15th, 2023.

Why is [TunesCopy](#) the perfect solution when customers want to remove DRM protection? Whether people plan to enjoy Spotify music offline or just treat themselves to cozy e-book reading time during afternoon-tea, they can all find a good solution with Prof. DRM. With Leawo TunesCopy, they can enjoy the benefits below:

- No connection errors

The DRM-protected doesn't work as well as expected. Many people reported integration errors, such as connection failure, the feature simply doesn't work, etc. For example, with Leawo Prof. DRM Media Pack, they can successfully download iTunes music as local files and share them with their friends easily and quickly. They don't have to worry about connectivity issues anymore! It means that you can [play Apple Music on Bose SoundTouch](#) and even [add iTunes music to Snapchat story](#).

- Keep DRM-protected file forever

Leawo Prof. DRM Media Pack provides a solution for removing copyright protection (DRM) from media files such as iTunes music, video, audiobook, Amazon Audible audiobooks, and Spotify music. This software also allows users to convert and download media files in any format they desire. Additionally, users who cancel their subscription to these paid services can keep their downloaded media as local files with the help of Leawo.
