Delray Beach, Florida Apr 14, 2023 ([Issuewire.com](https://www.issuewire.com)) - Emily Hartstone, Founder of From the Hart Management LLC, was recently selected as Top Inspirational Entrepreneur and Speaker of the Year 2023 by the International Association of Top Professionals (IAOTP), for her outstanding leadership, dedication, and commitment to the industry.

Inclusion with the [International Association of Top Professionals](https://www.issuewire.com) is an honor in itself; only a few members in each discipline are chosen for this distinction. These special honorees are distinguished

based on their professional accomplishments, academic achievements, leadership abilities, longevity in the field, other affiliations, and contributions to their communities. All Honorees are invited to attend the [IAOTP annual award gala](#) at the end of this year for a night to honor their achievements.

Emily Hartstone, MBA, CDE, CNE, CNC, PCA, has spent her career assisting organizations and inspiring professionals to live up to their prospective financial achievement objectives. Emily began her career as an event and sales director for various prominent firms. She organized the first-ever conference for a Fortune 500 fitness firm and managed their yearly summit and worldwide conference. Emily progressed up the ranks via her hard work and devotion, and she was soon granted the job of Director of Events at Magellan Management, a firm mainly focused on non-profit and trade organizations, in 2016. Emily transformed it into a full-service management and events firm over the following three years, overseeing operations and commercial growth and contributing to the establishment and implementation of strategic objectives. Her efforts received industry recognition, and she was elevated to vice president in 2020 after completing her NANOE CNE, CDE, and CNC qualifications.

Emily took the leap of faith into entrepreneurship in 2022 after working in corporate America for a decade and founded From the Hart Management, LLC, a multi-level association and business management organization focusing on events, sales, and marketing. The company's objective is straightforward: analyze, identify, advise, and execute. The team, made up of award-winning strategists, marketers, analysts, accountants, planners, and advocates, provides services such as association management, business and marketing consulting, and event management.

Throughout her illustrious career, Ms. Hartstone has received many awards and accolades and has been recognized worldwide for her accomplishments. This year she will be considered for IAOTP's Empowered Woman Award and to be featured in TIP (Top Industry Professionals) Magazine. Emily will be honored at IAOTP's annual awards gala being held at the NYC Plaza Hotel this December. She also has received the honors of the 2023 Personify A2Z Professional Award, and the 2022 TSNN Outstanding Show Pro Award, and was named among one of WomElle's 2023 She's Possible Top 10 Entrepreneurs, to name a few.

Aside from her successful career, Emily has had to overcome and deal with many struggles with her health. She was diagnosed with Leukemia and Graves Disease, which has caused her a great deal of physical, and emotional pain, and repeated operations that took a toll on her. She wanted to be a light of hope for others in similar circumstances, so she founded the EmPOWERThePATIENTS Foundation. Her mission is to finance scientific research and work toward curing the underlying causes of chronic and uncommon illnesses, as well as to create a top resource and support group for such sufferers. She was also named a Connect Association 40 Under 40 Honoree in 2019 for her humanitarian efforts.

The President of the International Association of Top Professionals (IAOTP), Stephanie Cirami, stated: "Choosing Emily for this honor was an easy decision for our panel to make. Emily is inspirational, influential, and a true visionary and thought leader. We cannot wait to meet her and celebrate her accomplishments at this year's gala."

Looking back, Emily attributes her success to her perseverance, work ethic, and the mentors she has had along the way. When not working, she enjoys traveling, and spending time with her friends, and two dogs. In the future, she hopes to inspire and influence those getting into the field. "I'm here to empower the next generation of change-makers with the strategy, tools, and guidance they need to change the world, one heart-centered decision at a time."
