Words by Management: We are a handcrafted bouquet filled with personalized adventures. We aim to deliver you with the finest service, be the most sustainable ecologically and environment friendly. Munjoh has been establishing trends on the islands from the moment we opened. Our hardworking and dedicated staff is the heart, and our wonderful visitors are the soul of this beach heaven.

Words by Staff members: We invite today's contemporary tourists to our boutique lodges filled with stories and essences. We honor difference and individuality, obtaining a remarkable combination of "Soul and Systems" to your adventure. Our properties are built in and around the nature of these islands to form a healing sanctuary within whispering old-growth woods. We are about affordable luxury, comfort, and awareness of the delicate balance of the ecological system. We encourage moments of wonder and delight. Our quality measures are supported by local genuineness and personality, attaching local people and guests to our hotels via tailored community agendas.

About Munjoh Ocean Resort: A stay with Munjoh Ocean Resort is about a relationship with the seascape, its culture, and wildlife, a carnival of regional cuisine, and elegant lodgings. It shows a genuine sense of place, a union of views, scents, and flavors that engages visitors in their surroundings. Guest itineraries are customized, making a personal, lasting relationship with the destination. The
