

Fancy Chess Announces Return of Popular Metal Chess Sets After Earthquake in Turkey Damages Warehouse

The earthquake disrupted the supply of some of their most popular customizable metal chess sets until facilities could be repaired. Those Turkish chess sets account for almost 1/4 of the chess sets with storage normally sold by Fancy Chess.

North York, Ontario Apr 24, 2023 ([IssueWire.com](https://www.issuewire.com)) - Fancy Chess, a leading online retailer of premium chess sets, is pleased to announce that after the recent earthquake in Turkey on February 6, 2023, the warehouse of one of their suppliers in Turkey has been repaired and they are now able to

resume selling some of their most popular customizable metal chess sets.

The earthquake caused significant damage to the warehouse of Fancy Chess's Turkish supplier, resulting in the temporary unavailability of some of their metal chess sets. However, the dedicated team in Turkey worked tirelessly to restore the warehouse to its original condition as quickly as possible, ensuring that their customers would once again have access to their highly sought-after customized chess storage board sets.

"We are thrilled to announce that our Turkish supplier's warehouse has been fully repaired, and we can now offer our customers some of our most popular metal chess sets with customizable storage chests again," said the spokesperson for Fancy Chess. "We understand that our customers love the option to personalize their chess storage boards with inscriptions, making them truly special and memorable gifts for chess enthusiasts."

Fancy Chess extends its sympathies to all the families impacted by the earthquake. "We would like to express our heartfelt condolences to all the families who have been affected by the earthquake in Turkey and Syria," added the spokesperson. "Our thoughts and prayers are with them during this challenging time, and we are committed to providing the best possible service to our customers while also recognizing the determination of everyone involved in the recovery efforts."

Fancy Chess takes pride in offering high-quality, unique, and exquisite chess sets that are crafted with precision and attention to detail. Customized chess storage boards, in particular, have been a customer favorite for their durability, elegance, intricate designs, and ability to be personalized with inscriptions, making them thoughtful and one-of-a-kind gifts for special occasions such as birthdays, weddings, and anniversaries. With the repairs completed at the Turkish warehouse, customers can once again browse and purchase their favorite customizable metal chess sets from the Fancy Chess website at <https://www.fancychess.com/collections/metal-chess-sets>.

"We would like to express our gratitude to our customers for their patience and support during this challenging time," added the spokesperson. "We remain committed to providing the best possible service and delivering exceptional chess sets to chess enthusiasts worldwide."
