Asheville, North Carolina Apr 13, 2023 ([Issuewire.com](https://www.issuewire.com)) - FOCUS Digital Marketing, a top-tier digital marketing solutions provider headquartered in Forest City, NC, proudly announces the strategic acquisition of Fix Your GMB. As a company specializing in local SEO optimization and Google My

Business (Google Business Profile) management services, this acquisition aims to bolster FOCUS Digital Marketing's comprehensive range of marketing solutions, empowering businesses in their pursuit of growth and online success.

Trevor Hunter and Michael Smith, founders of FOCUS Digital Marketing, have confirmed that they will retain 100% of the Fix Your GMB staff, including the founders, who will continue to oversee operations. This move ensures a seamless transition and continued excellence in service delivery. All office locations will maintain the Fix Your GMB brand, preserving its strong identity and customer loyalty.

Since 2002, Fix Your GMB has earned a stellar reputation for effectively optimizing local SEO. They excel in elevating clients' Google presence, enhancing online reputation, increasing local rankings, and gaining a competitive advantage. With their GMB management services, Fix Your GMB consistently delivers rapid results, propelling clients into the top 10 search results in just 10 days. This impressive track record aligns perfectly with FOCUS Digital Marketing's mission to help its clients grow their businesses.

As a result of this acquisition, the Google Business Profile services offered by Fix Your GMB will be seamlessly integrated into the FOCUS Digital Marketing Business Growth Package for all existing and future clients at no extra cost. This addition aims to deliver even more value to clients, empowering them to amplify their online presence, attract more customers, and drive business growth. Clients will now have access to a broader range of services, making FOCUS Digital Marketing a one-stop for all their digital marketing needs.
