New York City, New York Apr 14, 2023 ([IssueWire.com](https://www.issuewire.com)) - In private practice in Houston, Texas since 1999, Dr. Snow is a trusted dentist who specializes in beautifying smiles, maintaining dental health, and helping patients improve their appearance.

He understands that having a beautiful and confident smile is essential for everyone, which is why he is committed to creating a comfortable and personalized experience for all of his patients.

From routine cleanings to complex procedures, Dr. Snow and his experienced staff ensure that his patients receive the highest quality dental care. They are dedicated to making every patient feel comfortable and relaxed during their appointments, and remain focused on providing each patient with individual attention to meet their unique needs.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions, and perform other duties to ensure that the teeth and mouth are healthy.

Committed to excellence, Dr. Snow has been awarded the Patients' Choice Award multiple times, including in 2016, 2013, and 2012. This award is a testament to his dedication to providing exceptional dental care and creating a positive experience for his patients.
