

Groove to the Beats of the Florida Music Producer Carlos Garcia's Latest Track 'Astround'

Florida Music Producer Carlos Garcia has released his latest track 'Astround', blending together Pop Rock with EDM to create a unique and catchy number.

Gainesville, Apr 25, 2023 ([Issuewire.com](https://www.issuewire.com)) - Inciting a nostalgic fusion of heavy dance vibes, crisp rhythms, and retro synths, the talented music whizz **Carlos Garcia** has released his latest masterpiece '[Astround](#)'. The artist deftly blends Pop Rock and Electronic Dance Music together to create an intensely energizing floor-filler that seethes with its fast-paced ferocity of the relentless onslaught of instrumental unity. The song carries with it an infectious note of an upbeat and rejuvenating aura that instills listeners with positivity and turns on the heat on the dance floor instantaneously. Introducing classic EDM elements against a contemporary backdrop, the track weaves a well-balanced fabric of melodic maneuvers.

The song introduces itself on an intriguing note of synths that gives way to an enlivening and euphoric journey while simultaneously delving into a gritty and dark soundscape with untampered freedom of concept. The trippy distortions, enticing rhythms, and captivating bass against immersive 808s take the listeners into a crisp and colorful embrace of an unforgettable listening experience. The depth of sentiments with the intermittent vocal cut-ins syncs perfectly with the turbulent meandering of the instruments that incline toward the iconic dance eras while retaining its relevance among modern listeners. With ‘**Astround**’, the [Florida Music Producer](#) curates the perfect party number with an emotive hard-house embrace from the very outset of the track.

Being among 1,500 songwriters to co-teach a Pop Songwriting class with Charlie Puth at studio.com, the artist has time and again proved his creative dexterity through tracks like ‘No Te Entiendo (Acoustic)’ and ‘Vente Conmigo’ (produced in collaboration with MarCos, and the latest release is no different. A songwriter/producer with a Master’s degree, **Carlos Garcia** aims to create music with a unique and catchy rhythm that showcases his distinct style.
