

Halcyon Golf Travel receives funding to promote the UK as a golf destination

Nottingham, England Apr 13, 2023 ([Issuewire.com](https://www.issuewire.com)) - [Halcyon Golf Travel](#), the premier provider of golf vacations in the United Kingdom, recently announced it has received funding from the UK government to promote itself in North America and increase the number of American golf tourists visiting the UK.

This investment will allow Halcyon Golf Travel to promote itself to a larger audience and provide more American golfers with access to a wide range of courses and resorts across England, Wales, Scotland and other European destinations like Ireland and Portugal.

Halcyon Golf Travel will use the funding to promote its golf vacations, golf tours and custom golf trips that include luxury accommodation in some of the most exclusive resorts and estates in the UK, as well as access to award-winning championship courses. The company is also poised to roll out golf lessons and instruction for American golfers looking to improve their game.

This exciting news comes at a perfect time as American tourists are beginning to travel at pre-covid levels with travel spending reported at [4% above 2019 levels](#) in January 2023.

With this funding, Halcyon Golf Travel is able to further its goal of promoting the UK as a premier destination for American golfers looking for an unforgettable experience abroad.

The team at Halcyon Golf Travel is now working to develop their services and offerings for American travelers. In addition to offering golf-specific trips, the company will now provide a range of additional activities and experiences tailored towards US visitors. Guests are able to explore the sights and sounds of some of the UK's most popular cities, take in some of its best-kept secrets and experience some of its most iconic attractions.

Halcyon Golf Travel is committed to providing an unparalleled golf experience for US travelers, and the new funding will help ensure that the company can continue to offer exceptional service and packages. With Halcyon Golf Travel American golfers have access to a wide range of courses, resorts and experiences across the UK.

Jack Sallis, Director of Halcyon Golf Travel, said "We are delighted to receive this funding and excited for the opportunities it presents. Our team is committed to providing the best possible experience for American golf travelers and we look forward to welcoming more American golfers to the UK in the coming months and years."
