

Hollywood's Rising Star Marina Edwards

Congratulations for winning with The Rain Has Passed

Malibu, California Apr 27, 2023 ([IssueWire.com](https://www.issuewire.com)) - MARINA EDWARDS' AWARD-WINNING SHORT FILM "THE RAIN HAS PASSED" INSPIRES HOPE AND HEALING

MALIBU NEWS - Marina Edwards, a rising star in Hollywood, has been awarded for her short film, "The Rain Has Passed". Edwards, who is known for her versatile talents as a screenwriter, director, and actress, has received widespread recognition and multiple awards and nominations for best film, directing, and acting on the film festivals in China, India, England, Germany, Bulgaria, and USA, in 2022.

Edwards' film, which she wrote, directed, and starred in, tells a story of hope and healing in the face of trauma and grief. It is a testament to the human spirit's resilience and the power of community and connection in overcoming life's challenges. The film has been praised for its strong social impact, reflecting Edwards' commitment to creating art with a purpose.

Marina established her production company, Ocean Star LLC, which earned her the Best of California Award in 2019.

In a recent interview, Marina shared that her core message behind "The Rain Has Passed" is to inspire hope and healing in people who have experienced trauma or grief. Her film is a testament to the human spirit's resilience and the power of community and connection in overcoming life's challenges.

In addition to her work in the entertainment industry, Edwards is an active member of the District 1 Toastmasters Speakers Bureau and Silicon Beach Speakers, where she delivers presentations to corporate leaders and influencers on the social impact of art and the power of media. Her dedication to her craft and her passion for creating film projects with social impact make her a standout talent and a rising force in Hollywood.

Marina Edwards is a multi-talented filmmaker, actress, and director who moved to Los Angeles a decade ago to pursue her dream of creating film projects with a strong social impact. She honed her skills at prestigious institutions such as the New York Film Academy, Lee Strasberg Institute, Beverly Hills Playhouse, and UCLA.

Looking to the future, Edwards is actively planning her next projects, and she is excited to continue using her talents to inspire change and make a positive impact in the world.
