

Hubert H. Fenton, MD, a Pathologist with Exova Diagnostics

Get to know Pathologist Dr. Hubert H. Fenton, who serves patients in Texas.

New York City, New York Aug 1, 2023 ([IssueWire.com](https://www.issuewire.com)) - Introducing Dr. Fenton: A Resolute Pathologist Leading Exova Diagnostics

In El Paso, Texas, the medical world is fortunate to have Dr. Fenton as the esteemed Medical Director of Exova Diagnostics. This determined individual spearheads a team of seasoned laboratory scientists, collections experts, logistics wizards, and technology leaders, forming a consortium dedicated to excellence.

Exova Diagnostics, along with its affiliated entities, boasts a remarkable track record, thanks to their unwavering commitment to quality and consistent service offerings, all under the guidance of nationally recognized authentic executive leaders.

Dr. Fenton's journey to this distinguished position began with a Bachelor of Science degree from Brown University, followed by his medical degree from the University of Rochester School of Medicine and Dentistry in 2002. Subsequently, he completed his rigorous training with a residency in anatomic & clinical pathology at the prestigious John Hopkins University in 2006. Further honing his expertise, he pursued fellowships in Surgical Pathology at Johns Hopkins and Gastrointestinal Hepatic Pathology at the University of California San Francisco.

As a testament to his dedication to staying at the forefront of his field, Dr. Fenton holds board certification in anatomic & clinical pathology, granted by the American Board of Pathology (ABPath). The ABPath's mission revolves around promoting public health and advancing the practice and science of pathology through establishing rigorous certification standards and assessing the qualifications of aspiring pathology specialists.

Pathology, an essential branch of medicine, involves the study and diagnosis of diseases through direct gross and microscopic tissue analyses, including biopsies. Driven by a passion to uncover the mysteries of various medical conditions, pathologists like Dr. Fenton utilize cutting-edge laboratory and molecular methods to stay at the forefront of diagnosing diseases, ultimately benefiting patient care.

Dr. Fenton's unwavering dedication to education and his exceptional expertise in pathology make him an invaluable asset not only to Exova Diagnostics but also to the broader medical community in El Paso and beyond. His leadership continues to pave the way for advancements in healthcare and improved patient outcomes.
