

Hula Burger Launches The World's First Big Kahuna Caffeinated BUZZ-BURGER!

Hilo, Hawaii Apr 16, 2023 ([IssueWire.com](https://www.issuewire.com)) - Hula Burger Corporation, a quick-service restaurant retailer based in Hilo, Hawaii, has just launched the world's first Big Kahuna Caffeinated BUZZ-BURGER. The new Haole TOURIST burger, which is infused with caffeine, is expected to revolutionize the fast-food industry.

Richard H. Davis, the President, and CEO of Hula Burger Corporation was inspired to create the burger after noticing the buzz that people get from drinking energy drinks like Red Bull while eating a Kobe Beef (Wagyu) Cheeseburger. He realized that by adding caffeine to the plain old Big Kahuna Burger, customers can now forgo the energy drink and enjoy the same energizing effect.

The Big Kahuna Caffeinated BUZZ-BURGER is the latest addition to Hula Burger Corporation's menu of Hawaiian-inspired fast food. The company, which was founded by Davis, has been serving up SPAM hot dogs and its signature HULA-BURGER sandwiches made with grilled SPAM, DOLE Fresh Ripe Hawaiian Pineapple, smoked Wisconsin cheddar, and alfalfa sprouts on a King's Hawaiian Original Hawaiian Sweet Hamburger Bun since 2012.

"We're excited to launch the Big Kahuna Caffeinated BUZZ-BURGER and offer our customers a unique and energizing experience," said Davis. "Our goal has always been to provide delicious and innovative Hawaiian-inspired fast food, and this new burger is just the latest example of that."

Hula Burger Corporation's Hawaiian Luau Party Plan is also available, which gives customers a chance to experience the HULA-BURGER hot dog cart quick-service restaurant concept in a home party plan format. A Hula Burger Independent Business Owner or Hula Host is ready to help plan an unforgettable Hawaiian luau party.
