Cheyenne, Apr 17, 2023 ([Issuewire.com](https://www.issuewire.com)) - Spotify music promotion is one of the prior needs of music artists and being the top in the market, **The Tunes Club** can offer all kinds of music promotions for Spotify. The agency is glad to announce its **Monthly sale offer** which is taking place from **11th April to 18th April**. It is currently inviting all the music artists from around the world to grab this golden opportunity since it will be ending soon. With this latest discount offer, every user can gain a **10% discount** on every promotional package offered by this agency. Although the price of the packages is fairly reasonable, the cost of promotion gets even less with the latest sale offer.

The Tunes Club is well-revered in the music industry and has become a favorite and reliable partner for emerging artists as the agency has empowered many of them. With its intricate knowledge and experience in the field of promotion, it is capable of all kinds of music artists on the platform whether a singer, a rapper, a DJ, or even a composer. [Promote Your Spotify Music](#) more effectively with the four different packages offered by this agency, namely, Spotify Marketing Package, Spotify Promotion Pack, Spotify Marketing Pro Pack, and last but not the least, Spotify Promotion Pro Pack. All of these packages are comprised of the benefits of content marketing, playlist submission, social media marketing, and many other strategies that turn each promotional campaign into a successful one.

Starting with the **Spotify Marketing Package** is perfect for beginners and allows them to promote a

single Spotify track. The song is added to over 60+ curated Spotify playlists in order to offer the artist up to **3000-3500 Listeners**. The agency further shares the track among **100K+ Social Media Followers** on Facebook, Twitter, Instagram, Pinterest, and other platforms to make sure it creates a huge buzz. Similarly, there is Spotify Promotion Pack that allows artists to promote two Spotify tracks at once. In this case, the songs are added to over **90+ curated playlists** from where music artists can gain up to **7000-7500 listeners** along with online engagement. The pack also includes a service Paid Press Release distribution based on the music.

The other pro packs offer even more features and fruitful results with a greater magnitude. **Spotify Marketing Pro Pack** allows the promotion of 3 different singles and the agency will map out the target audience based on music. Offering up to **10,000-11,000 listeners**, this pack also creates long-lasting social buzz. For content marketing, the pack offers a service for Music Blog other than the paid PR. Spotify Promotion Pro Pack is the ultimate premium package for music promotion that allows the promotion of four tracks simultaneously which are added to over **180+ curated Spotify Playlists**. This premium package can offer up to **14,000-15,000 listeners** along with a huge amount of web traffic and online engagement. The users also get a service for Artist Reviews along with the PR and Music Blogs. The best part of all these packages is that the company also sends a detailed analytical report after the campaign duration ends.

Maintaining 100% professionalism and transparency, **The Tunes Club** is looking forward to empowering more music artists in the coming days and perhaps this is the best time. Its monthly sale for April is ending soon on April 18. During this time, every user can avail of any **Spotify promotion package** at a **10% discount**. Wait no more and take complete advantage of this beneficial sale offer before it ends.
