New Delhi, Delhi Apr 18, 2023 ([IssueWire.com](https://www.issuewire.com)) - Indian e-Tourist Visa policies have been improved since 2019 and since then, this visa program is empowering foreign nationals to visit India. While this electronic travel authorization program is perfect for short-term visits, there is a chance to obtain 5 YEAR INDIAN VISA as well. There are a total of three kinds of e-Tourist Visa offered by India, one comes with a validity of 30 days, then comes 1-year validity, and lastly, the 5-year e-Tourist Visa. Those who want to get more information about the 5-year visa can visit <https://www.india-visa-online.org/5-year-tourist-visa>. It is a multiple-entry visa and as a result, foreigners can visit the country multiple times.

In case of impromptu plans and uncertain events, foreigners can also avail of an URGENT EMERGENCY INDIAN VISA which is available at <https://www.india-visa-online.org/urgent-indian-visa/>. There are many times when a foreigner needs to visit the country on a crisis premise or any emergency reason such as a death in the family, self-illness, illness of a close relative, or presence required in the court and many others. This urgent online visa is applicable for all those purposes. The features of these online visas are not limited to any country as every member of the launch program is eligible to take complete advantage of these services.

There is an INDIAN VISA FOR BRAZILIAN CITIZENS which can be obtained from <https://www.india-visa-online.org/indian-e-visa-eligibility/brazilian-citizens/>. It allows foreign citizens for visits up to 90 days for multiple entries in India. Similarly, there is an INDIAN VISA FOR CHINESE CITIZENS that offers the same benefits. The applicants can pay using Chinese Yuan or any of the 135 currencies including Debit, Credit, and Paypal.
