

IndoSpine: The Best Spine Hospital in Ahmedabad

Ahmedabad, Gujarat May 5, 2023 ([Issuewire.com](https://www.issuewire.com)) - Congratulations to your spine that is surviving through the lifestyle in the 21st century. Be it a student, housewife, professional, or senior citizen, the sedentary lifestyle is affecting them adversely when it comes to their backs, and that is when IndoSpine, the best spine hospital in Ahmedabad, comes into the picture.

The hospital not only provides treatment to the ones with an affected spine but also takes workshops in several places, including corporates, to create awareness about routine activities that can hinder your spine health.

IndoSpine is known for being the only spine hospital with an O2 O-Arm technology in Ahmedabad. Led by Dr. Tarak Patel, the [best spine doctor in Gujarat](#), the spine experts at IndoSpine have completed over 5000 surgeries.

A professional at IndoSpine quotes, “We at IndoSpine believe in gifting our patients a better spine through our treatments.” The wide range of spinal problems that spine experts at the hospital cater to covers the dorsal, thoracic, and lumbar spine. Some of the conditions are.

- Lower back pain
- Spondylolisthesis
- Thoracic myelopathy
- Spinal infections and fractures
- Spine tumors
- Spinal cord injury
- Neck pain
- Lumbar and cervical canal stenosis
- Osteoporosis and osteoporotic fractures
- Spine deformity and more

The need for surgery depends on the diagnosis and the patient’s condition. However, in general, the process begins with a counseling session, followed by a physician & pulmonologist session, a cardiologist session if required, pre-op anesthetist counseling, surgery date, and post-operation, and at last, a healthy discharge.

Team IndoSpine keeps patients at the center of their healthcare approach, which focuses on delivering personal attention and care to every patient. Overall, the hospital is well-equipped with all the facilities, including scans and operation theatres, to provide complete spinal treatment from diagnosis to medications to final surgery.

In terms of reputation, infrastructure, facilities, quality care, experts, competitive costs, and reviews, IndoSpine is at par, making it the **best spine hospital in Ahmedabad**.
