Get to know Dentist Dr. Jason D. Henderson, who serves patients in Manlius, New York.

New York City, New York Apr 12, 2023 ([Issuewire.com](https://www.issuewire.com)) - Dr. Henderson is a practiced dentist in private practice in Manlius, New York. He works alongside Dr. Jeremy DeBottis, DDS, with whom he went to dental school.

With a focus on continuing education, a professional staff, and new technology, the dental practice under Dr. Henderson's direction and Dr. DeBottis' collaboration flourishes while upholding a high standard of dedicated patient care. Their high interest in continuing education brings advanced dental techniques and equipment to the office for an optimal patient experience.

This allows for both Drs. Henderson and DeBottis treat patients needing restorative treatment, cosmetic enhancements, orthodontic care, sleep apnea therapy, laser dentistry, oral surgery, root canals, periodontal hygiene, and implant placement.

Originally from Brighton, Michigan, Dr. Henderson graduated with his Bachelor of Science degree in Psychology from the University of Michigan. After completing his undergraduate education, he received his Doctor of Dental Surgery degree from the University at Buffalo School of Dental Medicine.

Upon completion of dental school, Dr. Henderson pursued further education in the Advanced Education in General Dentistry program through Eastman Institute for Oral Health at the University of Rochester.

In May 2010, he joined Dr. Gregory W. Mohr, DDS at his dental practice as a full-time associate. He knew that he wanted to be part of a practice with a distinct reputation for quality patient care, while establishing roots for his family in Central New York.

After serving as Dr. Mohr's associate for five years, Dr. Henderson purchased the practice from Dr. Mohr in February 2015, understanding the practice's mission of building relationships through comfort, service, and technology. It was Dr. Henderson's desire to continue Dr. Mohr's practice vision, while building and investing in it for the future as well.

Among his professional dental affiliations, he is a member of the American Dental Association, the Fifth District Dental Society, and the Onondaga County Dental Society.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions, and perform other duties to ensure that the teeth and mouth are healthy.

Happily married, Dr. Henderson and his wife, Heather, currently live in Onondaga Hill. In his free time, he enjoys football, hockey, music, movies, the outdoors, and spending time with friends and family.
