

Jean Hector Calls for GoFundMe Support to Help Bring Martinez Family's Children Home

Join the Community Cause: Help Reunite the Martinez Family and their Children by Contributing to GoFundMe Campaign Launched by Jean Hector

New York City, New York Apr 18, 2023 ([Issuewire.com](https://www.issuewire.com)) - Jean Hector, a kind-hearted individual, is urging the community to lend a helping hand to the Martinez family, who are in dire need of support. The family's two oldest children were taken away from them and placed in foster care due to their living conditions. Since then, they have been fighting tirelessly to bring their kids back home.

The [Martinez family](#) has been living in a school bus since 2020 because they have no other option. Their living conditions are below standard, and Brother Adam has been struggling to build a home due to a lack of funds and manpower. The case against them has been closed as of February 2023, and it is essential that their living conditions are greatly improved for the children to be returned to their parents.

Jean Hector has launched a GoFundMe campaign to raise funds for the family to build a safe and comfortable home, and to provide them with a much-needed source of transportation. The family-owned an old Toyota Camry, which recently broke down, leaving them without a car in the countryside where they live.

Hector has called on the community to show their support by making a donation to this GoFundMe campaign. Any amount, no matter how small, will make a difference in the lives of this family. Together, let us bring those kids back to their parents by providing them with a safe and comfortable home.

Jean Hector is confident that the community will come together and show the Martinez family that they are not alone. "Let us spread love and kindness, and may GOD bless each and every one of you abundantly," Hector said.

Please join in supporting the Martinez family by making a donation to their [GoFundMe campaign](https://gofund.me/65a2adb7).
