Get to know Dentist Dr. Jeffrey Lee Schupper, who serves patients in Voorhees, New Jersey.

New York City, New York Apr 20, 2023 ([Issuewire.com](https://www.issuewire.com)) - Dr. Schupper has been practicing dentistry for over two decades in New Jersey and Pennsylvania. He ensures that his patients receive the most advanced dental care while creating the most comfortable environment at Family Dental Care of South Jersey in Voorhees, New Jersey.

“Our mission is to provide the highest quality dental care in a comfortable, modern, state-of-art facility and to make our patients as comfortable as possible for their treatment. We are committed to fostering long-term relationships with our patients based on mutual trust, excellent customer service, and the best patient care available. We will educate our patients so that they may be active participants in the decision-making process regarding their dental needs and treatment” according to the dental practice’s mission statement.

Academically, Dr. Schupper attended the University of Pittsburgh and graduated with a Bachelor of Science degree in Biological Sciences. He then went on to earn his Doctor of Medicine in Dentistry degree from the University of Pennsylvania School of Dental Medicine in 1988.

Since he began practicing dentistry, Dr. Schupper has kept up to date on many continuing educational classes, including oral surgery and restorative dentistry. In 2007, he acquired his permit for conscious sedation dentistry.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions, and perform other duties to ensure that the teeth and mouth are healthy.
