

JOHNNY 808 Joins Forces With Leon DC For the Latest Banger ‘Playing Games’

Join an engaging lyrical journey with JOHNNY 808’s latest banger ‘Playing Games’. This talented German rapper has teamed up with Leon DC for this single project.

Hamburg, Apr 10, 2023 ([IssueWire.com](https://www.issuewire.com)) - The hip-hop industry is constantly evolving and with the rappers like **JOHNNY 808**, currently, it is at its peak of evolution. This talented rapper has teamed up with Leon DC for his latest hip-hop single ‘[Playing Games](#)’ which is currently gaining a lot of buzz in the music scene. Whether it is the groovy digital soundscape with tasty beats or the powerful rapping skills, Johnny never fails to amaze his listeners. On the other hand, Leon is another talented persona hailing from the UK. Their united effort and flawless deliverance make sure to churn out the real essence of this single. Surely, this is one of the greatest rap teats for hip-hop lovers.

JOHNNY 808 stands out for his authentic and original rap tracks that are setting an example in the modern hip-hop industry. Being one of the top German Rap artists, he is well revered for intriguing

bars that speak about the life and its struggles while proceeding forward. Rap is a medium that allows him to depict the picture of his life and each of his musical creations is the greatest example of that like **'Die Harder'**, **'Mein Miv und Ich'**, etc to name some.

The rapper has also released many albums like **'Broskis'**, **'RealTalk'**, **'Derbe'**, and the list goes on. The bilingual approach in German and English makes his musical arsenal ever more dynamic and engaging. Follow him on Spotify to listen to more amazing tracks like **'Playing Games'**. The rapper is also available on [Instagram](#) and [Tiktok](#). Follow him there to get more updates on his upcoming hip-hop projects.

The track 'Playing Games' of JOHNNY 808 will surely make you groove:
