

# Junk Car Dog Buys New Tow Truck to Help Dispose of More Junk Cars

Fort Lauderdale junk yard purchased a new Ford F650 tow truck due to increased junk cars.

**Fort Lauderdale, Florida Apr 19, 2023 ([Issuewire.com](https://www.issuewire.com))** - Junk Car Dog, a [salvage yard](#) serving South Florida for over 30 years, has recently acquired a new tow truck. The Ford F650 2007, now wrapped in lime green for better visibility (and with the company's information for faster reference), will be plying the highways better to serve customers in Fort Lauderdale and surrounding areas.

According to the owner of Junk Car Dog, there has been increased customer demand in recent times, and getting a new truck now only makes sense as it will make customers happy it speeds up service delivery and improves Junk Car Dog's capacity to tow away any junk vehicle that a customer may want to sell.

Junk Car Dog is Fort Lauderdale's [top junk car buyer](#) and salvage yard; for three decades and counting, their expert staff has proven time and time again that good customer service is the most crucial factor for a sustainable business. Junk Car Dog makes it a point to pay only top dollar for every type of vehicle.

The salvage yard buys vehicles from all years and car makers, and they also purchase junk vehicles regardless of condition. Customers can call Junk Car Dog during business hours and ask for a quote after providing basic information about the car they want to sell. The company has made selling its junk car easy and convenient for any [South Florida](#) local (or tourist).

According to the owner, all it takes is just one phone call, and someone will take care of the customer's

questions and any possible junk car removal service within the day. Junk Car Dog serves multiple areas, including Pembroke Park, West Park, Davie, Miramar, Oakland, Hollywood, Lauderhill, and more.
