

Make the Most of Your Travel to India with the Indian eVisa

New Delhi, Delhi Apr 6, 2023 (IssueWire.com) - The post-pandemic period is proving to be the peak of the travel industry in India as reports showed an increased influx of foreign travelers to the country. Being a hub of some of the most awe-inspiring scenic beauty, and cultural richness and having earned the title of one of the greatest gastronomical hubs of the world, the surge in the number of foreign tourists is not surprising. Another primary reason for this increase has been the introduction of new policies that have made the traveling procedure for nationals of numerous countries to India a piece of cake, especially with the introduction of the Indian e-Visa.

Though one can leave India by 4 different modes of travel: by air, by cruise ship, by train, or by bus; there are only two ways in which one can enter the country by air and by cruise ship with the India e-Visa. There are a total of 29 **Indian Visa Airports for entry** and 5 seaports through which eVisa holders can enter the country. To know what they are, check out <https://www.india-visa-online.org/indian-e-visa-entry-points-rules/>.

Since 2014, the availability of online **Indian visas for Canadian Citizens** has made the process for passport-holders to obtain their visas extremely hassle-free. All they have to do is fill up the online application form and the visa will be emailed to them, provided they fulfill all the requirements. To check out what they are, visit <https://www.india-visa-online.org/indian-e-visa-eligibility/canadian-citizens/>.

Visitors from Australia no longer have to visit the Indian Embassy for the confirmation or stamp on the passport, as the online **Indian Visa for Australian citizens** is recorded in the central computer system of the Government of India and Immigration Officers can access this information from any Airport in the world. To know more, visit <https://www.india-visa-online.org/indian-e-visa-eligibility/australian-citizens/>.

American tourists visiting India using the online **Indian Visa for US Citizens** are required to carry a soft copy or printed copy of the eVisa to the airport and even though there is no stamp requirement on the passport. For further details regarding the requirements, check out <https://www.india-visa-online.org/indian-e-visa-eligibility/us-citizens/>.

Being a launch member of the Indian e-Visa program, British citizens can easily enter the country using the online **Indian Visa for British Citizens** for tourism, business, and medical reasons. For more information regarding the application process, visit <https://www.india-visa-online.org/indian-e-visa-eligibility/british-citizens/>.
