Get to know Internist Dr. Mohammed N. Khan, who serves patients in Baltimore, Maryland.

New York City, New York Apr 3, 2023 ([IssueWire.com](https://www.issuewire.com)) - A well-versed physician in the field of internal medicine, Dr. Khan is in practice with MedStar Medical Group Internal Medicine at MedStar Good Samaritan Hospital in Baltimore, Maryland. His approach to his patients is one of diligence, solutions, and relief.

MedStar Good Samaritan Hospital has provided high-quality care to its community for more than 50 years. The hospital and staff are guided by Catholic teachings and Gospel values and are trusted to deliver ideal healthcare experiences, providing the highest quality of care and building long-term relationships with the patients that we serve.

Educated in India, Dr. Khan graduated with his medical degree from Gandhi Medical College, Osmania University in 1974. He then completed two internships, one at Galmi Hospital and the other at Western Missouri Mental Health Center. He also finished two residencies, one at the University of Maryland Medical Center and the other at MedStar Good Samaritan Hospital..

Specializing in the medical treatment of adults, the doctor is board-certified in internal medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.

For his expertise, Dr. Khan has been awarded Recognition by the National Committee for Quality Assurance and American Diabetes Association Diabetes Recognition Program.

On a more personal note, he welcomes patients who speak Telugu, Hindi, Urdu, and English. His awareness of these different languages makes him accessible to patients from a variety of cultural backgrounds.
