

My Favorite Breaker (MFB): The Ultimate Directory of Top-Rated Trading Card Breakers by Location and Reviews

Naples, Florida Apr 21, 2023 ([IssueWire.com](https://www.issuewire.com)) - My Favorite Breaker (MFB) officially launched on March 13, 2023, introducing a new directory of trading card breakers that allows collectors to rate and review breakers, search for top-rated breakers, and find local breakers by exact location or ranked breaker listings by state!

MFB aims to create a platform that educates and informs hobbyists who partake in box breaks by providing a directory of breakers focused on reviews and ratings. Their software, tools, and databases are currently in beta mode, as they continue to improve and add features to build the best platform to help and support the hobby.

Best of all, My Favorite Breaker is free to use for both collectors and breakers, offering a user-friendly platform to search for top-rated trading card breakers.

One of the platform's unique features is the ability to search for breakers based on location, with state and country rankings of the best-rated breakers. Breaker listings in each state are ranked by the overall rating & number of reviews, ensuring users can quickly find the best breakers in their area.

To help collectors make informed decisions, MFB invites users to leave reviews and rate their favorite or not-so-favorite breakers based on Trust, Cost, Shipping, Communication, and Entertainment. The platform allows users to search for specific breakers based on sports, tcg, memorabilia, and entertainment categories, and breakers can be further broken down into specific sports like football, baseball, basketball, and tcg categories like Pokémon, MTG, Yu-Gi-Oh, etc.

In addition to searching for top-rated breakers, MFB offers a range of related businesses & event categories, including free giveaways, group box breaks, live rip and ships, consignment auctions, card and collectible shows, trade nights, card grading submission companies and so much more..

MFB is the ultimate resource for trading card collectors, committed to providing the best tools and resources to help hobbyists succeed.
