New York City, New York Apr 24, 2023 ([Issuewire.com](https://www.issuewire.com)) - Dr. Jain is a board-certified urologist and one of Phoenix Magazine's "Top Doctors" in Urology. He currently treats patients at Arizona Urology, operating out of the offices in Goodyear and Glendale.

Looking forward to keeping his patients in good health and improving their quality of life, he specializes in oncology, female urology, stones, benign prostatic hypertrophy (BPH), and laparoscopy.

Arizona Urology is a premier medical clinic that provides the Valley with first-rate, patient-centered, and comprehensive urological health care. The practice has three clinics, conveniently located in Goodyear, Glendale, and Gilbert, Arizona.

The integrated team of healthcare professionals at Arizona Urology is guided by compassion for their patients and a drive for perfection and optimized health. The board-certified physicians and medical staff provide high-quality and attentive care across the fields of urinary incontinence, robotics,

laparoscopy, and treatments for urologic cancers of the bladder, prostate, testicle, and kidney. They consistently provide their patients with excellent surgical outcomes using the most technologically advanced and state-of-the-art equipment, such as the UroLift®, the da Vinci® surgical system, the InterStim™ system, and the GreenLight™ Laser.

Academically, Dr. Jain earned his medical degree from the Feinberg School of Medicine at Northwestern University in Chicago. He graduated in the MD/MBA program, also earning a degree in health services management and finance from Northwestern University's Kellogg School of Management. He stayed at Northwestern University for his residency, which he completed in urology.

Dedicated to surgical excellence, the doctor is board-certified in urology by the American Board of Urology (ABU). The mission of the ABU is to act for the benefit of the public by establishing and maintaining standards of certification for urologists, and working with certified urologists to achieve lifelong learning to ensure the delivery of high-quality, safe, and ethical urologic care.

Outside of his work at Arizona Urology, Dr. Jain serves as the Vice-Chief of Staff at the Abrazo West Hospital Campus in Goodyear, Arizona. He is also very involved in the Arizona Care Network (ACN) and holds a position on the Board of the ACN and as the Chairman of the Network Committee.

Regarded as a leader in his field in minimally invasive surgery, including robotic-assisted surgery and robotic radical prostatectomies, Dr. Jain has performed over 1000 robotic procedures in his career.

Urology, also known as genitourinary surgery, is the branch of medicine that focuses on surgical and medical diseases of the male and female urinary-tract system and the male reproductive organs. Urologists specialize in diseases of the urinary tract and the male reproductive system. Patients may be referred to a urologist if their physician suspects they may need treatment for a condition relating to the bladder, prostate, urethra, ureters, kidneys, and adrenal glands.
