Get to know Cosmetic Surgeon Dr. Paul A. Boulos, who serves patients in Florida.

New York City, New York Apr 14, 2023 ([Issuewire.com](https://www.issuewire.com)) - Dr. Boulos is a highly esteemed cosmetic surgeon, artist, and sculptor, who has gained a reputation for his exceptional skills in performing aesthetic procedures on the breast and body. His area of expertise includes high-definition liposuction, Brazilian butt lift, as well as breast and abdomen procedures.

At Boulos Cosmetic Surgery in Miami, Florida, Dr. Boulos takes an individualized approach to every patient's needs, carefully considering their aesthetic goals and concerns when providing personalized treatments. His ultimate goal is to help his patients enhance their natural beauty and improve their self-confidence, delivering fantastic results that meet the highest standards of safety, efficacy, and comfort.

A native New Yorker, Dr. Boulos has an impressive educational background, having obtained his undergraduate degree from New York University and his Master of Biomedical Sciences degree at the University of Medicine and Dentistry of New Jersey. He then went on to graduate with his Doctor of Osteopathic Medicine degree from the Rowan University School of Osteopathic Medicine.

His medical expertise has been published in several medical journals and has been presented at

national conferences. As part of his training, he worked closely with distinguished surgeons and mastered the most advanced surgical techniques. He was awarded Chief Resident of his general surgery program at Inspira Health Network, which attests to his superior training and exceptional medical proficiency.

After the successful completion of a grueling general surgery residency, Dr. Boulos moved to Tampa, Florida to pursue a nationally accredited cosmetic fellowship. It was during this time that he developed a deep passion for aesthetics, performing thousands of breast and body procedures.

In addition to surgical procedures, he is an advocate for face and body rejuvenation using non-surgical techniques.

Having shown a remarkable commitment to excellence, the doctor is board-certified in general surgery by the American Osteopathic Board of Surgery (ABOS). The ABOS is an organization that provides board certification to qualified Doctors of Osteopathic Medicine who specialize in the use of surgery to aid in the diagnosis and treatment of disease.

On a professional level, Dr. Boulos is an active member of the American Academy of Cosmetic Surgery, the American Society of Liposuction Surgery, the American Osteopathic Association, the American College of Surgery, the American College of Osteopathic Surgeons, and the American Medical Association.

As an expert in the most innovative surgical techniques and advances, Dr. Boulos places great emphasis on patient satisfaction and safety. As a result of his medical and cosmetic surgery expertise, he has an unrivaled awareness of how function and aesthetics interact. This winning combination allows him to treat all of his patients' desires that enhance their quality of life.

On a more personal note, Dr. Boulos attributes his success not only to his exceptional skills as a surgeon and artist, but also to his unique personality. His stellar reputation among professionals in the field serves as a clear testament to his exceptional skill, artistry, and high levels of patient satisfaction.

Growing up as a first-generation American in Brooklyn, his father was a dentist in Egypt who came to the United States so that he could practice and raise his family here. Early in life, he experienced some loss, which taught him how to handle challenging situations calmly and also made him an empathetic listener.
