

Poppy Rush Launches The World's First Caffeinated Hot Wasabi Mustard Sauce

Tokyo, Japan Apr 7, 2023 ([Issuewire.com](https://www.issuewire.com)) - Poppy Rush Co., Ltd. announces the launch of their newest product, the Poppy Rush Caffeinated Hot Wasabi Mustard Sauce, perfect for those who crave a flavorful kick in their meals.

Made with a unique blend of high-quality ingredients including mustard seed, wasabi, poppy seed extract and spices, this new sauce is sure to add a bold and spicy flavor to any dish. What sets it apart is the added caffeine, providing an extra boost to help kick start your day or keep you going through long nights.

The Poppy Rush Caffeinated Hot Wasabi Mustard Sauce contains only the finest ingredients and is free from artificial flavors and colors. It is also gluten-free and suitable for vegans.

"We are excited to introduce our newest creation, the Poppy Rush Caffeinated Hot Wasabi Mustard Sauce," said Saki Kouya, founder of Poppy Rush Co., Ltd. "We wanted to create a sauce that not only tastes great but also helps people stay energized throughout the day. We believe this sauce will be a game-changer for anyone who loves a little spice in their life."

The Poppy Rush Caffeinated Hot Wasabi Mustard Sauce is now available for purchase on their website at <https://poppyrush.webnode.com>. For more information about the product or the company, please contact Saki Kouya at SakiKouya@jourrapide.com or by phone at +81 70-9810-2558.
