

Prime Healers Expands its Medical Equipment Services to Hyderabad

Bengaluru, Karnataka Apr 30, 2023 ([Issuewire.com](https://www.issuewire.com)) - Prime Healers, a leading provider of medical equipment services, is pleased to announce its expansion into Hyderabad. The company is bringing its expertise in the rental, sales, and maintenance of medical equipment to the people of Hyderabad.

Founded in 2016, Prime Healers has established itself as a reliable and trustworthy provider of medical equipment services in Bangalore. With a team of trained professionals, a commitment to customer satisfaction, and a range of value-added services, the company has become a leading player in the medical equipment industry in Bangalore.

During the COVID-19 pandemic, Prime Healers played a vital role in providing medical equipment to those in need. The company increased its inventory of oxygen concentrators and other critical medical equipment to meet the surge in demand and worked tirelessly to provide support and assistance to its customers during this challenging time.

"We are excited to expand our services to Hyderabad and bring our commitment to quality and reliability

to a new market," said Mr. Sananda Kumar, Founder of Prime Healers. "We look forward to serving the people of Hyderabad and providing them access to high-quality medical equipment and services."

Prime Healers offers a wide range of medical equipment for rent, including oxygen concentrators, ventilators, hospital beds, CPAP, BiPAP, and more. Prime Healers also set up ICU at home at affordable cost. The company's experienced technicians are available 24/7 to support and assist customers, ensuring they have access to the equipment they need when required.

In addition to its core services of rental, sales, and maintenance of medical equipment, Prime Healers also offers its customers a range of value-added services. These include delivery and pickup of equipment, 24/7 customer support, and flexible rental plans to suit the needs of individual customers. The company is planning to widen its services in the field of telemedicine soon.

As part of its expansion into Hyderabad, Prime Healers has established partnerships with several hospitals and healthcare providers in the city. These partnerships will help to increase the company's visibility and reach among potential customers in Hyderabad.

Prime Healers has received positive customer reviews for its high-quality services, professionalism, and prompt responses to customer queries and concerns. The company's commitment to customer satisfaction is evident in its numerous positive reviews on online platforms such as Google, Facebook, and other well-known media. The business model has helped bring down healthcare costs without compromising treatment quality.
