

Provident Ecopoliten Apartment Now in Your Budget

Bengaluru, Karnataka Apr 13, 2023 ([Issuewire.com](https://www.issuewire.com)) - [Provident Ecopoliten](#) offers luxurious amenities and features that define a premium living experience. The project prides itself on innovative construction, modern design, luxurious interiors and high-end amenities that match the styles, tastes and requirements of the modern home buyer. The apartments are spacious, with plenty of natural light and ventilation, which promotes wellness.

Puravankara Corporation offers Provident Ecopoliten at a competitive price, obtained after a thorough analysis of the costs involved in project development and market research on similar projects in the region. The price list will be prepared and shared by the manufacturer, and the pre-launch price will be even more affordable. Potential buyers can take advantage of the pre-launch pricing, which comes with many attractive offers and discounts.

[Provident Ecopoliten specifications](#) include a three-story RCC frame structure, elevators and stairs connecting all floors, glass cement tiles in the living room, dining room, bedroom and walkway, ceramic tiles flooring in the kitchen and laundry room, and anti-slip ceramic tile in the toilet. The interior walls will be plastered and painted with oil glue, while the exterior facade of the building will be plastered and

painted with cement-based paint, the restrooms will be tiled with colored ceramic tiles.
