

Reza Moradi, MD, an Ophthalmologist with Eyeconic Medical

Get to know Ophthalmologist Dr. Reza Moradi, who serves patients in the State of California.

New York City, New York Aug 22, 2023 ([IssueWire.com](https://www.IssueWire.com)) - A fellowship-trained ophthalmologist & cornea specialist, Dr. Moradi performs comprehensive eye exams, glaucoma evaluations, cataract surgeries with premium high-performance intraocular lens implants, laser-assisted cataract surgery, corneal transplantation, corneal cross-linking surgery, LASIK and ICL, glaucoma lasers, and microinvasive glaucoma surgeries. In California, he is the Founder of Eyeconic Medical in Newport Beach.

Spending time with his patients to understand their concerns, he performs detailed eye examinations, goes over test results, and answers all patient queries. If treatment is needed, he discusses each option to come up with a plan acceptable to the patient.

Back in the early days of his academic career, Dr. Moradi graduated with his medical degree from Shahid Beheshti University of Medical Sciences in Iran in 2009. He then relocated to the United States, completing his internship and residency in internal medicine at the Icahn School of Medicine at Mount Sinai in New York.

Thereafter, he completed his training in ophthalmology at California Pacific Medical Center in San Francisco. He then pursued a fellowship in corneal, external disease, and refractive surgeries at the New England Eye Center at Tufts School of Medicine in Boston, Massachusetts.

Dedicated to the highest standard of medical and surgical excellence, Dr. Moradi is a member of the American Academy of Ophthalmology, the American Society of Cataract and Refractive Surgery, the American College of Physicians, the American College of Surgeons, and the Association for Research in Vision and Ophthalmology.

Ophthalmology is a branch of medicine and surgery, which deals with the diagnosis and treatment of eye disorders. Ophthalmologists are experts in the diseases, functions, and anatomy of the eye. Ophthalmologists are also surgeons. They repair traumatic injuries to the eye and may perform cataract, glaucoma, and corneal surgery.

In his free time, Dr. Moradi enjoys cooking, hiking, traveling, and playing volleyball. His favorite place to vacation is in Hawaii.
