

Space of Joy launches International Range

Space of Joy introduces new collections in its International Range of Wall Coverings: Sir Edward, Madam Blanc, Kikki Belle, and Oliver Robins

Mumbai, Maharashtra Apr 21, 2023 ([Issuewire.com](https://www.issuewire.com)) - Space of Joy, a leading provider of high-quality wall coverings, is pleased to announce the launch of its latest collection, the International Range. This new collection features four unique and stylish wall covering collections: Sir Edward, Madam Blanc, Kikki Belle, and Oliver Robins for Indian homes and businesses.

Each of these collections offers a distinct theme and style, providing homeowners, businesses as well as interior designers with a wide range of options to suit their individual tastes and preferences. Whether one is looking for a classic botanical motif, a historical design, or a playful collection for children's rooms, the International Range has something for everyone.

Sir Edward: Botanical Arts Collection

The Sir Edward collection is inspired by the natural beauty of botanical arts. The collection features stunning designs that showcase the intricate details of plants and flowers. From delicate leaves to bold blooms, these designs are perfect for creating a serene and calming environment in any room of the house.

Madam Blanc: Historical Art Collection

The Madam Blanc collection is a tribute to the beauty and elegance of historical art. Featuring intricate patterns and motifs inspired by classical art and architecture, this collection is perfect for adding a touch of sophistication and grandeur to any room. Many of the designs in this collection serve as radiant murals or they can also become treasured wall art.

Kikki Belle and Oliver Robins: Children's Collections

The Kikki Belle and Oliver Robins collections are designed specifically for children's rooms. Kikki Belle is a playful collection inspired by the wonder and magic of childhood, featuring whimsical designs and bright colours. Oliver Robins is a collection designed for young explorers, featuring bold patterns and adventurous themes that inspire creativity and imagination.

All four collections in the International Range are made from high-quality materials that are designed to last. Each wallpaper is crafted using the latest printing technology, ensuring that every design is vibrant, crisp, and clear. The wallpapers are also easy to install and maintain, making them an excellent choice for homeowners and professionals alike.

"Wall coverings are a great way to add personality and style to any space," said Neha Jain, founder-partner. "We are thrilled to introduce the International Range, which features four unique collections that cater to a wide range of tastes and preferences. Whether you're looking to create a calming retreat, a sophisticated living space, or a playful children's room, the International Range has something for everyone."

The International Range is available for purchase now at Space of Joy's website and select retailers. To learn more about the International Range and to view the collections in full, visit www.MySpaceOfJoy.com.
