

# SwiDoo PDF 2.0.2.6: Added 6-Language Versions and Enhanced Editing Feature

**Victoria, British Columbia Apr 20, 2023 ([IssueWire.com](https://www.issuewire.com))** - AWZware just released a new version- SwiDoo PDF 2.0.2.6, a PDF editor aiming to help users increase their productivity in multiple ways. This PDF editor allows users to edit, annotate, compress, merge & split, convert, and add watermarks & e-signature in PDF documents.

## Multilanguage Added

As a cutting-edge PDF management utility for Windows computers, SwifDoo PDF is always making efforts to expand its user groups worldwide and improve its user experience.

Before this update, SwifDoo PDF already supported English, French, and German, This time, SwifDoo PDF 2.0.0.6 adds Japanese, Korean, Spanish, Portuguese, Polish, and Chinese (Traditional) options, which helps the program gain popularity worldwide further.

## Enhanced editing, annotating, and converting PDFs

The latest version of SwifDoo PDF brings exciting new improvements to the user experience. With this release, users can now enjoy a smoother and more efficient PDF editing, annotating, and converting process. The software's intuitive interface and advanced features make it easier than ever to create, edit, and convert high-quality PDFs. Whether you're a business professional or a student, SwifDoo PDF's new version is designed to improve your workflow and help you achieve your goals. Try it out today and see for yourself how SwifDoo PDF can take your PDF experience to the next level.
