

Therapy Trainings™ is Giving Away Free CEUs For 1 Year

Therapy Trainings™ has announced the New Grad Appreciation Program that gives away free CEUs for a year to all new therapists, counselors, and social workers.

Louisville, Kentucky Apr 26, 2023 ([Issuewire.com](https://www.issuewire.com)) - Therapy Trainings™ Announces Free CEU Program for New Mental Health Professionals

Therapy Trainings™, an online continuing education provider for mental health professionals, has just announced a New Graduate Appreciation Program. Therapy Trainings™ is offering [1 year of FREE CEUs and continuing education](#) to all new grads of a Master's or Doctoral program.

Therapy Trainings™ was created by Matt Grammer, LPCC-S to provide mental health professionals access to high-quality continuing education courses with ease. Matt is also the founder of Kentucky Counseling Center, which provides [online counseling and psychiatry](#), as well as Counseling Now, which provides [online counseling and psychiatry](#) across the US. By signing up for Therapy Trainings™, mental health professionals can enjoy on-demand CEUs and save time and money. Our most popular package includes [unlimited CEUs for therapists](#) bundle for a year for only \$75.

Our New Graduate Appreciation Program provides an opportunity for new grads in mental health and related fields to get continuing education units (CEUs) at no cost. The FREE CEU 1-year membership is valid for one year, and grads must complete the registration process to be eligible.

Benefits of Therapy Trainings™:

- Comprehensive, easy-to-follow courses
- On-demand CEUs
- Money-saving packages
- Unlimited CEU bundle for \$75
- 1-year free CEUs for new grads

Therapy Trainings™ is an online continuing education platform designed to provide mental health professionals with the resources they need to stay current and complete their CEUs with ease. Our courses are designed to help mental health professionals stay informed, stay sharp, and stay ahead in their field.
